And you have your area where you work and

- 2 that's near an area where these gentlemen were
- looking at --3

1

- 4 A. Yes.
- 5 Q. -- what work was to be done?
- 6 A. Yes.
- 7 Q. Where did you see them walking and
- inspecting and viewing inside the house? 8
- 9 In the kitchen, where the -- the kitchen,
- which is the addition. 10
- 11 Q. And do you recall anything that was said
- 12 by anybody?
- 13 A. Not really.
- 14 Q. Who all was there, do you recall?
- 15 A. Well, Boland was there.
- 16 Q. And this is Tom Boland?
- 17 Tom Boland. Someone from -- I think there A.
- 18 were -- actually, two guys from the roofers. And
- 19 that's all I remember.
- 20 Q. Okav.
- 21 A. I think, you know, the plumber might have
- 22 been -- you know, there were people there everywhere
- 23 all the time. And when you're trying to work, it's,
 - 1 you know... Do you know what I'm saying? I wouldn't
 - know who was there, who was not. I just
 - 3 remember -- I remember Tom was walking the roofers
 - 4 through. And, you know, it was a pretty exciting
- 5 step, as I said earlier, so we were all interested
- in -- this was -- just the fact that the roof was
- 7 going to finally get on.
- 8 Q. Was your husband home at that time?
- 9 A. Vec
- 10 Q. And was he in the kitchen area as well?
- 11 A. Yes.
- 12 Q. Do you recall who was there with Dade, the
- 13 organization?
- 14 A. (Witness shook head.)
- 15 Q. The roofers?
- 16 A. No.
- 17 Q. Do you know -- do you remember whether or
- not Robert Dade was there? 18
- 19 A. No.
- 20 Q. Do you know who Michael Dade is?
- 21 A. No.
- 22 Q. Did you have any -- were there any other
- 23 occasions in which you were in the vicinity of

- anybody from Dade Roofing where there was some
- 2 discussion going on that you could either see or
- 3 overhear that you can recall today?
 - Other than the day of the accident, no.
- 5 Now, turning back to the other occasion
- 6 when Boland was showing the roofers sort of around,
- do you recall -- and I may have asked you this, and I 7
- 8 apologize -- do you recall specifically anything that
- 9 was said to anybody?
- 10 A. I don't recall anything specific. I know
- 11 that there was -- it was before they actually started
- the barn. And so there was a discussion about what 12
- 13 was going to happen first. I was very interested in
- 14 the order of events. I -- not being home a lot,
- 15 that's an important issue to me. I want to know
- 16 what's going to get done, who is going to do it, what
- 17 time are they going to -- and I know the plan was
- 18 made to do the barn first and the kitchen last.
- 19 I know that -- and I honestly don't
- 20 know -- and I guess that's all I know. I just know
- 21 it was -- the order of events was very important and
- 22 the landscape of what they had to do, what they had
- 23 to accomplish. And the fact that we talked about how
- 1 we wanted the flow of the roof to go because the roof
- 2 was going over both the old and the new. It was very
- 3 important to me to see it tied together, that it 4
- looked like it was a single job, not two pieces. 5 I know they talked about the skylights.
- They talked about the overhang on the porch. And we
- had a problem with how the overhang was fitting
- 8
- together. I know they talked about that. But I
- 9 think that's all.
- 10 Q. There were skylights to be installed in
- the kitchen, correct? 11
- 12 A. Yes, three.
 - Q. Had those skylights been installed?
- 14 Α. Skylights were not installed.
- 15 Q. Had the openings been cut?
- 16 A. Yes.
- 17 Q. And what was covering the openings, if you
- 18 know?

13

20

- 19 Eventually there was tarpaper covering the
 - openings, but I don't remember if that tarpaper was
- 21 on that day or if it was put on later. Tom was in
- the -- Tom was -- Tom was in the process of getting
 - the roof ready for the guy to put -- for the roofing

7

21

- 1 to get done, which is one of the reasons why they
- 2 were talking about the order of events because they
- 3 were trying to measure how much time they had to get
- 4 certain things prepped. And I honestly don't
- 5 remember if the tarpaper had been put up at that time
- 6 when they were walking through or if it was put up
- 7 after that.
- 8 Q. What was up there to prevent rain from
- 9 getting in?
- 10 A. That's what I'm saying. Initially there
- 11 was nothing up there. And then Tom put up tarpaper.
- 12 But I don't remember the sequence of events. I don't
- 13 remember if the roofers came and then he put it up or
- 14 if they were still in the prep of getting the main
- 15 house ready for the roofing. The barn had already
- 16 been done.
- 17 Q. At any time after the skylight opened cut,
- 18 but before Mr. Boland's accident, was there anything
- 19 like plywood, roofing, sheeting, put up over the
- 20 holes?
- 21 A. I wouldn't know that. I just remember
- 22 they were opened. We had rain. Tom put up tarpaper
- 23 to cover the openings. And they had to lay down the

 - 1 tarpaper -- in order to put the roof in and set the
 - windows, you have to have the tarpaper on, so I don't
- 3 know the order of those events.
- 4 Q. Do you recall any other occasions where
- 5 you were in an area where the roofers were discussing
- 6 anything at all?
- 7 A. Other than the day of the actual accident,
- ${\bf 8}$ $\,$ the only time -- the only time that I was present was
- 9 when they were doing their walk-through.
- 10 Q. Okay. Now, between the walk-through and
- 11 the date of the accident, do you recall how long a
- 12 time period passed?
- 13 A. I don't recall how long. But it was a
- 14 matter of days.
- 15 Q. The day of the accident, certainly Robert
- 16 Boland was at your house?
- 17 A. Robert Dade.
- 18 Q. Robert Dade. I'm sorry.
- 19 Who else that you recall was there?
- 20 A. I don't -- I honestly don't recall.
- 21 Stewart and I were both home. I don't remember who
- 22 else was there. The only activity going on at the
- 23 house that I recall was the barn was being roofed.

- 1 That's when they were finishing -- that day was -- I
- 2 don't know if it was the last day they were doing the
- 3 roof, but I think they had, like, three days to do
- 4 the roof and then the middle of the house.
- 5 Q. Did you see Robert Dade at any time that
- 6 you remember specifically before the accident?
 - A. No
- 8 Q. So the first time that you knew that he
- 9 individually was at your house, as opposed to
- 10 generally Dade Roofing, was after the accident
- 11 happened?
- 12 A. Yes.
- 13 Q. Well, how did you learn that the accident
- 14 had occurred?
- 15 A. I heard it.
- 16 Q. Okay. Where were you when you heard it?
- 17 A. I was in the old dining room working.
- 18 Q. This is your home office area?
- 19 A. Yes.

22

- 20 Q. And how far away is that from where the
- 21 accident happened, where Mr. Dade landed?
 - A. I don't know for sure, but I know the
- 23 dimensions of the rooms very well. So let me think
- - about this. Probably about 12, 13 feet.
 - 2 Q. Okay. And what exactly alerted you to the
 - 3 fact that the --
 - 4 A. The sound.
 - 5 Q. And what sound was that?
 - 6 A. I heard a scream and I heard a bang.
 - 7 Q. And when you heard the scream and bang,
 - 8 what did you do?
 - 9 A. I got up from my chair and went into the
 - 10 kitchen -- ran into the kitchen.
 - 11 Q. And what did you see?
 - 12 A. I saw Robert Dade -- I didn't know it was
 - 13 Robert Dade at the time -- laying on the floor. And
 - 14 it appeared that he had fallen through one of the
 - 15 skylights.

16

- Q. Did you look up at the skylight?
- 17 A. No. I was focused on him.
- 18 Q. Did you at any time look up and see that
- 19 the skylight was -- the tarpaper was torn open or
- 20 anything like that?
- 21 A. Yes.
- 22 Q. When did you first do that?
- 23 A. I don't know.

24
